

Charter for Friends Schools in Kenya

1 Teaching and Learning

We will ensure that your child receives teaching appropriate to way in which he or she can learn.

2 Learning Environment

We will provide a learning environment that is well resourced and right for your child's education.

3 Boarding Accommodation

We will provide boarding accommodation that is comfortable, safe and seek to make it mosquito proof.

4 Health and Safety

We will seek to provide a healthy and safe environment for all students, teachers and other staff which is peaceful, orderly and clean with good sanitation.

5 Employment Practices

Our employment practices will be fair and transparent; following nationally recognized good employment practices.

6 Financial Practices

Our financial management will be transparent and follow nationally accepted accounting procedures.

7 Relationships with the Community and Friends Churches

We will seek to build excellent relationships with the community and with the local Friends Churches.

8 Gender Equality

We aim to ensure equal treatment of all members of the school community, to promote gender equality in all student and staff appointments.

9 Peace and Reconciliation

We will seek peaceful resolution of all misunderstanding and conflict in line with the historic Friends Church Peace Testimony, seeking to be a beacon of good practice in relationship building within the school and between the school and community.

10 Spiritual Growth

We will aim to promote the spiritual growth of all students, teachers and other staff members of the school community, recognizing all religious traditions in line with the historic testimonies of the Friends Church.

**We acknowledge and value that of God in everyone and seek to run our school
in line with the historic Testimonies of the Friends Church for:**

SIMPLICITY PEACE INTEGRITY COMMUNITY EQUALITY STEWARDSHIP
